Dear Mr. Saldias,

I am writing with regard to the fully-developed project document "Enhancing resilience to climate change of the small agriculture in the Chilean region of O'Higgins" for Chile that your organization submitted to the Adaptation Fund. After conducting a technical review on the proposal, and taking note of the comments provided by your organization to the findings of the initial review, the secretariat forwarded the project proposal to the Project and Programme Review Committee (PPRC) of the Adaptation Fund Board for a review based on the criteria approved by the Board.

The Board would like to request your organization to transmit the observations referred to above to the government of Chile.

The secretariat will contact you as soon as the legal agreement between the Adaptation Fund Board and Chilean International Cooperation Agency (AGCI) for the implementation of the proposed project has been prepared for signature.

Sincerely,

  
Marcia Levaggi
